

KENTUCKY ACADEMY OF PHYSICIAN ASSISTANTS

Please join us as a corporate sponsor and/or exhibitor, during the Kentucky Academy of Physician Assistants' 42nd Annual CME Symposium, November 1-3, 2018 at the Lexington Convention Center. Advertising opportunities are also available. We invite you to showcase your company's products and services to an anticipated crowd of 300 Kentucky Physician Assistants (PAs) and Kentucky PA Students during the three-day event. KAPA represents PAs and PA students across the state of Kentucky. PAs are licensed health care professionals who practice medicine with physician supervision in general practice settings and speciality practice areas. PAs conduct physical exams, diagnose and treat illnesses, order and interpret tests, counsel on preventative healthcare, assist in surgery and write prescriptions.

Exhibiting at KAPA's 42nd Annual CME Symposium provides you with an opportunity to:

- Enhance your brand
- Increase sales
- Educate customers
- Gain valuable input and feedback

- Forge new relationships and partnerships

... all while supporting a time-honored, statewide event!
